

Betsy Burns

Continuing Education Classes

Learn the techniques necessary to enhance your skin care and spa business.

Endermologie Class—learn the first patented FDA-cleared process proven to reduce cellulite and promote circulation and toxin removal. \$295

Microdermabrasion Class—learn the value of the skin exfoliating procedure that uses a powered combination of force plus suction to refine and smooth the skin. It also reduces hyperpigmentation, wrinkles, acne and acne scarring, enlarged pores and surface legions. \$295

HydraFacial Class—learn a serum-based system that gives you the ability to cleanse, exfoliate, extract, and hydrate skin. Achieves superior non-laser resurfacing results. \$295

Private training for each of these classes is approximately two hours, at Betsy Burns Professional Skin Care Salon, located in beautiful Laguna Beach. Courses include recommendations on product selection.

Or, learn all techniques! Take all three classes for a special price:

Endermologie, Microdermabrasion, and HydraFacial \$750
